

# Peer Walk In: Resource and Support Hours

Our Peer Walk In: Resource and Support Hours are lead by NAMI DuPage Family and Individual Peer Specialists. A NAMI DuPage Peer Specialist listens closely, helps you identify goals, and connects you with resources and other Peer Specialists. NAMI DuPage Peer Specialists are not clinicians, but rather they provide meaningful and personal mentoring and coaching for your daily life. The Walk In hours for both individuals and family members are listed below. For any other questions or comments please contact Patty Johnstone at [p.johnstone@namidupage.org](mailto:p.johnstone@namidupage.org)
