

Do you have an adult loved one with
mental illness?

What is the NAMI Family-to-Family Education Program?

- A free 12-session education class
- For family, partners, friends and significant others of adults living with mental illness.
- Learn how to understand and support your loved one living with mental illness, while maintaining your own well-being.
- Information on illnesses such as schizophrenia, bipolar disorder, major depression and other mental health conditions.
- Taught by trained teachers who are also family members of someone with mental illness.

“This course overall was the single most, without a doubt, helpful and informative thing ever offered in all my years searching for answers... It has helped me to understand better and communicate more effectively with my brother.”

“The course has helped me to realize that my son is still inside the body that is often times hidden by the mental illness and that I am not alone in this.”
