Dear Community Partner,

Every day, NAMI DuPage meets individuals and families who are at the lowest point in their lives. For more than 40 years, we have helped people find education, support, resources, and hope—free of charge—so that no one faces a mental health condition alone.

On Sunday, September 13, 2026, we will gather at St. James Farm for our Run for the Mind / NAMIWALKS DuPage event. More than a walk, this event is a community movement that brings together individuals, families, businesses, healthcare providers, educators, advocates, and community leaders who know that with the right services, people can lead productive and meaningful lives in recovery. **Your sponsorship helps make that recovery possible.**

Please review the enclosed sponsorship opportunities and benefits including event day recognition, logo placement, social media acknowledgements, website visibility, booth space opportunities, and more. **As a special thank you to our supporters, organizations or individuals who sponsored our 2026 gala are eligible to receive 20% off their Run for the Mind/NAMIWALKS sponsorship.**

As I prepare to conclude my tenure as CEO of NAMI DuPage, I am deeply grateful for the businesses, community leaders, advocates and supporters who have stood beside us. Together, we have helped thousands of people find hope and recovery, and I am excited about what lies ahead for NAMI DuPage.

We thank you for considering sponsorship of the 2026 Run for the Mind/ NAMIWALKS and for believing that mental health matters.

With gratitude,
